DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on December 23, 2008 has been entered.

Allowable Subject Matter

Claims 1-7 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or fairly suggest a process for the treatment of wood comprising; *exposing the wood to a treatment solution while substantially maintaining a vacuum to partially impregnate the wood whereby immediately after reduction of pressure within the treatment vessel, the partially impregnated wood includes an unimpregnated inner zone which has a residual vacuum alleviating seepage of treatment solution* in combination with the rest of the claimed limitations as set forth in claim 1.

Examiner notes the prior art, 234,588 (Submitted on IDS filed 12/23/08; Pg. 10, lines 24-26) states, excess preservative to subsequently drawn from the wood. Therefore the reference is

Art Unit: 3725

teaching away from the claimed invention of a *partially impregnated wood inner zone* having a *residual vacuum alleviating seepage of the treatment solution* as set forth in claim 1.

Neither the prior art of record nor any combination thereof disclose the claimed invention as set forth in claim 1. Therefore claims 1-7 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
